who s living in Amsterdam

He s got this woman who comes around a couple times a month
it s a lady her names Ann
Yea she pops up and down once or twice a month
it s all part of some brand new government plan
She said she doesn t think of herself as a prostitute
She s more of a healer-yea that s Ann

Chorus

You gotta settle down
You gotta think it out
You gotta paint the scene
I m not made of stone
Can t do it on my own
Can t you see what I mean?

Bridge

And I m sick and tired of this place
it s driving me insane
And I ll save all my money
and get on that plane
And I have to have the courage
to determine what s out there for me
And I said I could stay with him
And since I m very good friends of his
