**F**                  **C**  
If this world is wearing thin  
          **Dm**                  **Bb**  
And you re thinking of escape.  
          **F**                  **C**  
I ll go anywhere with you  
          **Dm**                  **Bb**  
Just wrap me up in chains.  
          **F**                  **C**  
But if you try to go alone  
          **Bb**                  **C**  
Don t think i ll understand.

(Chorus)

**F**    **C**    **Dm**  
Stay with me.  
**F**    **C**    **Dm**  
  Stay with me.

**F**                  **C**  
In the silence of your room  
          **Dm**                  **Bb**  
In the darkness of your dreams.  
          **F**                  **C**  
You must only think of me  
          **Dm**                  **Bb**  
There can be no in between  
          **F**                  **C**  
When your pride is on the floor  
          **Bb**                  **C**  
I ll make you beg for more.

(Chorus)

**F**    **C**    **Dm**  
Stay with me.  
**F**    **C**    **Dm**  
  Stay with me.

**Dm**

You d better hope and pray

**Bb**

That you ll make it safe

**C**

Back to your own world.

**Dm**

You d better hope and pray

**Bb**

That you ll wake one day

**C**

In your own world.

**Dm**

Cause when you sleep at night

**Bb**

**C**

They don t hear your cries in your own world.

**Dm**

**Bb**

Only time will tell if you can break the spell

**C**

Back in your own world.

**F C Dm Bb**

Stay with me x4
