

Bullys Lament
Shakey Graves

CAPO ON 1

C#m

Well Lanky Lenny is too tall to be lost and found

A

Too big for the cages at the city pound

E

So what will we do?

B

What will we do for fun and for free?

C#m

See the roads are getting wider and wider most every day

A

I used to go out driving now I stay off the lanes

E

So whatâ€™s the use of looking out if thereâ€™s nothing to see?

B

C#m

Oh but somehow weâ€™re getting by.

A

It seems a little bit easier to touch the sky

E

But somethingâ€™s coming for you,

B

Somethingâ€™s coming for me.

E

C#m

B

And itâ€™s no, no, no, no, no, no, no, no,

A

Weâ€™re not like the others.

E

B

A

Baby itâ€™s true

E

C#m

B

No, no, no, no, no, no, no, no,

A

Weâ€™re not like the others.

C#m

And we could not be, if we wanted to.

C#m

Oh Lazy Lauren was too small to go outdoors

A

Too loud for the neighbors too slow for the chores

E

So what will we do?

B

What will we do for fun and for free?

C#m

See the roads are getting wider and wider most every day

A

I used to love the store but now I stay off the lanes

E

B

So whatâ€™s the use of getting up if thereâ€™s nowhere to leave?

C#m

Oh but somehow weâ€™re getting by.

A

It seems a little bit easier to touch the sky

E

But someoneâ€™s coming for you,

B

Someoneâ€™s coming for me.

E

C#m

And itâ€™s no, no, no, no, no, no, no, no,

A

Weâ€™re not like the others.
