

## City In A Bottle Shakey Graves

Hey, love this song, thought I d tab it out since Shakey doesn t have enough tabs around. Enjoy.

The song is played with a capo on the second fret, but you can also play without a capo or with barre chords if you want.

(The Am-C progression in the verses is played with Am for three bars and C for one)

Verse 1:

Well the cold has a hard time finding me  
Unlike some folks I know  
Yeah all the men down in union square  
Are worried about the snow

When your pockets fill  
With dollar bills  
Your heart forgets to eat  
Its a wicked thing  
It owns this street

Chorus:

Yeah fix your boots or take me home says quick monique the freak  
I need an easy dollar are you trick or are you treat  
Well if she was six teeth younger and if i had half a mind  
I'd carry her away from that wicked thing outside

Verse 2:

<b>E</b>	<b>B7</b>	<b>Am</b>	<b>C</b>
Well i saw a carried bundle			
<b>E</b>	<b>B7</b>	<b>Am</b>	<b>C</b>
that has fingers eyes and toes			
<b>E</b>	<b>B7</b>	<b>Am</b>	<b>C</b>
As a father of deception			
<b>E</b>	<b>B7</b>	<b>Am</b>	
i have never raised a soul			

It's a purchase captured second hand and cherished more than gold  
It's a shelter from that wicked thing that wanders in the night

Chorus :

**E** **Am** **C**  
 Yeah fix your boots or take me home says quick monique the freak  
**E** **Am** **C** **Am** **C**  
 I need an easy dollar are you trick or are you treat  
**E**  
 Well if she was six teeth younger and if i had half a mind  
**B7** **E**  
 Iâ€™d carry her away from that wicked thing outside  
**Am** **C** **Am** **C**  
 The water on the dirty streets has all but turned to ice  
**E** **B7**  
**E**  
 To pave the road for wicked things that wander in the night
