[Verse]

G
Same old shoes on the same old feet
G
Same colored tie every day of the week
Gm
Shampoo, conditioner, instant repeat
Gdim/B# **D7**
Drip dry, do it again
G
I tell my woes to the knife and the spoon
G
Dining alone at a table for two
Gm
One glass of wine is plenty of time
Gdim/B# **D7**
To dream about all of the things that I ll never do
G

[Chorus]

C **Em** **C**
I wonder what it s like to fly a plane
 C
To meet a girl on Friday night
 Em **C**
And wake up next to her on Saturday
 C
To swim across the ocean blue
 Em
To walk a mile upon the moon
 C
To wear the crown and sit upon the throne
 Gdim/B# **D7**
But it s getting late, this restaurant is closing
 G
I guess I d better go

[Verse 2]

G

I wander through the city, whistle a tune

G

Walk into a bar and ruin the mood

Gm

A dirty martini with an olive or two

Gdim/B# **D7**

Shake, pour, do it again

G

A couple more drinks, now they re kicking me out

G

I always get in trouble when I open my mouth

Gm

Stumble on home, fall into bed

Gdim/B# **D7**

And drift off into my head

[Chorus]

C **Em** **C**

I wonder what it s like to fly a plane

C

To meet a girl on Friday night

Em **C**

And wake up next to her on Saturday

C

To swim across the ocean blue

Em

To walk a mile upon the moon

C

To wear the crown and sit upon the throne

Gdim/B# **D7**

But it s getting late, this restaurant is closing

G

I guess I d better go

[Verse 3]

G

Same old shoes on the same old feet

G

One-track mind, one-way street

Gm

Nothing s gonna change for the same old me

Gdim/B# **D7**

Eat, sleep, do it again

Gdim/B# **D7**

Gdim/B# **D7**

Eat, sleep, do it again
