

Animal City
Shakira

F#m

Why do all my friends
Now want to be your lovers?

D

Your family got bigger

C#

When they thought you were rich

F#m

And now like maniacs

D

They scratch your back

C#

Even when it doesn't itch

F#m

I want to figure it all
I want to figure it all out
I want to save you from
Save you from all that's vain

D

C#

Save you from the things that cause us pain

F#m

Cause it's an animal city
It's a cannibal world

E

So be obedient, don't argue

B

Some are ready to fight you

F#m

It's an animal city
It's a cannibal world

E

So be obedient, don't argue

B

Some are ready to bite you, my love

F#m

They believe you now
Have everything you wanted

D

And once you have become a star

C#

You got no right to, bitch

F#m

But someday when you fail
They'll put you on sale

D **C#**
And buy you by the inch

F#m
But you re the real deal
And real is your middle name
You know sometimes I feel
I gotta earn every breath you take
D **C#**
Baby, never mind the rules we break

F#m
Cause it s an animal city
It s a cannibal world
E
So be obedient, don t argue

B
Some are ready to bite you

F#m
It s an animal city
It s a cannibal world

E
So be obedient, don t argue

B
Some are ready to rip you right off

D
With you I feel safe
C#
There s nothing to fear from us

D
Away from the fangs
C#
The fangs of the world

D
I may be a coward, but you are brave
C#
And nothing seems so dangerous

F#m
Cause it s an animal city
It s a cannibal world
E
So be obedient, don t argue

B
Some are ready to fight you

F#m
It s an animal city
It s a cannibal world

E
So be obedient, don t argue

B
Some are ready to bite you, my love

F#m

Cannibal world

Cannibal world

Cannibal world

Cannibal world

E

So be obedient, don t argue

B

Some are ready to bite you, my love
