

Cut Me Deep Feat Magic  
Shakira

Parte 1D                      EWhy do you say things                      F#mIf you do not mean  
themD                      EWhy do you fill up my wounds                      F#mWith your dirtD  
EBullets of fire                      F#mThis time I can t shield themD                      E  
                    F#mSanta Maria, I know how it hurtsRefrão                      A C#m F#m  
Cause you cut me de----ep                      A C#m F#mYour words are like  
ste----el                      A C#m F#mAnd now I can t sle---ep                      A  
C#m F#m Cause I ll never he---alParte 2D                      EWhy do you make me  
F#mBelieve we are spiritsD                      EMolded together to conquerF#mThis EarthD  
EClimb up the mountains    nbsp;                      F#mSo high we can see themD  
E                      F#mThen send me to plummet with savaging  
wordsRefrão                      A C#m F#m Cause you cut me de----ep  
A C#m F#mYour words are like ste----el                      A C#m F#mAnd now I  
can t sle---ep                      A C#m F#m Cause I ll never he---alParte 3                      Bm  
C#mI am covered in scars                      DLike a rose without thorns                      Bm  
C#mMy defenses are gone                      F#m                      ENo one s out there to warn  
Bm                      C#mIf there s love in your heart                      DLet me leave now in  
peace                      Bm                      C#m F#mYou know you took it too fa---rRefrão  
A C#m F#m Cause you cut me de----ep                      A C#m F#m  
Your words are like ste----el                      A C#m F#mAnd now I can t sle---ep  
A C#m F#m Cause I ll never he---alParte 4A                      C#mYou cut me  
deep                      F#m                      EYou cut me so deepA                      C#mYou cut me deep  
F#m                      EYou cut me so deepA                      C#mYou cut me deep                      F#m                      EYou  
cut me so deepA                      C#mYou cut me deep                      F#m                      EYou cut me so deep
