[Verse 1]

C
I think you are living in denial
Dm Am
Oh, can't you see she's pretty wild?
G
And every night I pray that you don't knock her up
Am F
Cause I still want to be the mother of your child
C
They say, L amour est né à Paris
Dm Am
So she's planned a little trip to France
G
While she's in anxious anticipation
Am G
I really hope you have a horrible vacation

[Pre-chorus]

F C
And so you think of me when you arrive
Em
Hope the French fleas eat you both alive

And your room smells

Am
And the toilet doesn't flush

And the locals treat you mean

F
And the service takes too long

Cause I'm fragile

C
And you broke my heart in two

But you just smile

Em G
Like it's all the same to you, to you

[Chorus]

C G
When you learn your lesson
Am
Come back like a prodigal son
C G
And read the big sign at the airport
Am G
Bienvenue from hell, mon amour
C G
When you learn your lesson
Am
Come back like a prodigal son
C G
And read the big sign at the airport
Am G
Bienvenue from hell, mon amour

[Verse 2]

C
Where did you get the ability
Dm Am
To make fake promises to me?
G
You are exactly like a politician
Am G
Need everyone's approval just to see if you're doing right

[Pre-chorus]

F C
And I hope you freeze under the Eiffel Tower
Em
So you end up throwing in the towel
Am
Hope you'll miss me
Am
And someday you're gonna see
F
That I put my trust in you
F
But you turned your back to me
C
Cause I'm fragile
C
And you broke my heart in two
G
But you just smile
Em G
Like it's all the same to you, to you
