

Rules

Shakira

Dm

You have to swear
You ve got love to love me

Am

That will last forever

Dm

We must have a story

Am

With a happy ending

F **G**

I swear to never go away

F

And never put aside

G

The things I m gonna say
Cuz these are rules for us

Chorus:

C

Use your eyes only to look at me

Am

Use your mouth only to kiss my lips

F **G**

We are branches of the same old tree

C

You can laugh only if you laugh at me

Am

You can cry only if you cry for me

F **G**

Don t forget that you re condemned to me

Am **F**

Can t you see

Am **G**

You always were

Am

You ll always be

Dm

You used to say
I should see a doctor

Am

Who would keep me busy

Dm

Cuz a jealous woman

Am

Never makes it easy

F **G**

And you know I ll defrost

F

Whatever seems right

G

But it may take a while

Before I change the rules

Chorus (2X)
