THE ONE - Shakira (Tabbed by: abet sagaral)

So I find a reason to shave my legs
Each single morning
So I count on someone on Friday nights
To take me dancing again
To church on Sundays

A#m **D#**
To plant more trees
A#m **D#**
And someday think of kids
A#m **D#**
Or maybe just save a little money

Chorus:

G# **Cm** **E#m**
You re the one I need
C#
The way back home is always long
 C#m
But if you re close to me I m holding on
G# **Cm** **E#m**
You re the one I need
C#
My real life has just begun
 C#m
Cause there s nothing like your smile
 E#m
made of sun
G# **C#**
In the world full of strangers
 B#
You re the one I know

So I learned to cook and finally lose
My kitchen phobia
And so I got the arms to cuddle in
When there s a ghost or a news
That brings insomnia

A#m **D#**
To buy more thongs
A#m **D#**
To write more happy songs
A#m **D#**

It always takes a little help from someone
Chorus

Guitar: **G#-Cm-E#m-C#-C#m**
Chorus

You re the one I need

With you my real life has just begun

You re the one I need

You re the one I need
