

**I Can Make You Feel Good**  
**Shalamar**

STANDARD TUNING  
NO CAPO

Play around with where the chords are placed, I just kind of estimated.

**Gm** **Dm7**  
Are you the kind to put your heart on the line  
**Cm7** **Cm7, Dm7**  
Or one who stays out of reach  
**Gm** **Dm7**  
Cause unlike other guys I won't waste your time  
**Cm7** **Cm7, Dm7**  
I just wanna practice what I preach

**Ebmaj7** **Dm7**  
Girl, love can be such a challenge  
**Cm7** **Dm7** **Gm**  
A game where there can be two winners  
**C**  
Unlike any sport  
**Ebmaj7** **Dm7**  
It depends on the prize  
**Cm7** **Dm7** **Gm**  
And knowing where the real thing lies  
**C**  
To make a long story short

**Gm7** **Dm7**  
Baby, I can make you feel good  
**Cm7** **Cm7, Dm7**  
Let me lay this good love on you  
**Gm7** **Dm7**  
Baby, I can make you feel good  
**Cm7** **Cm7, Dm7**  
You can say I really want you  
**Gm7**  
Oh so good

There's guys that offer you diamonds and pearls  
Those are the ones without the need  
Other guys say that they can give you the world  
But a world of love is what you'll get from me

Girl, those material things  
Meant more to me before the day I found you

Now I truly believe  
All the money in the world  
Can't comfort you the way I wrap my arms around you  
And I'll always be there

#### CHORUS

Let me make you feel good  
I can make you feel good  
Let me make you feel good  
I can make you feel good
