E F
The sands of gold are falling from the sky tonight
E F
The sound; a million voices screaming out
E F
The prophecy has moved on with the stars
E F
And now I know that I could be the chosen one

E F
Oh, the desert breeze had turned to such a storm that night
E F
And in my dream I nearly saw his face again
E F
Waving me up to come closer to his tent
E F
Can t control myself, I m needing his embrace

E F
Looking up over your head

E F
Put on my suit, like any other morning time
E F
I washed my face in purest water
E F
Got brand new shoes - it s good to feel that you re alive
E F
But life will get along to something larger than me!

E F
Looking up over your head
E
I wanna tear through the sky
F
Looking up over your head
E
And be the very first to die
F
Looking up over your head

E

One thousand miles and I ll be there
