

**Trail of Tears
Shaman**

Gm

Not for a day
Not for a while
You re all alone you never satisfied

Cm **Bb** **G#**
Oh you ve been dreaming for a hundred years

Gm

So you begin
To understand

F
That your lifetime is running through your hands

Cm **Bb** **G#**
Who will forgive you for this Trail of Tears?

Cm **D#**
There you go on

Gm

Someone to love
Easy to find

F
Fulfill your heart with blood of any kind

Cm **Bb** **G#**
Unlink the chain before it strangles you

Cm **D#**
There you go

Bb **G#** **Gm**
Hearing voices and noises again

Cm **D#**
There you stand

Bb **G#** **Gm**
Back in time where it all once began

Cm **D#**
There you are, in vain

Cm

After a shock
B

Time to recompose
Cm

an old bleeding heart
D

So mistreated and abused
B

Cm **Bb** **G#**

Who will forgive you for this Trail of Tears?

Cm **D#**

There you go

Bb **G#** **Gm**

Hearing voices and noises again

Cm **D#**

There you stand

Bb **G#** **Gm**

Back in time where it all once began

Cm **D#**

There you are, my friend!
