

**Wake And Break
Shamanic Illness**

Wake and break
by Shamanic illness

H5

I m starting

G5

With no doubt

E5 **D / D#5**

Observe me

H5

I turn the page

G5

Of your life

E5 **D / D#5**

On tape B

H5

G5

E5

I feel your pain and it s like mine

D **D#5**

You scream

H5

G5

E5

Already dead but you don t feel

D **D#5**

Your seam

We re running

We coming out

We re waiting

We growing up

Inside of me

We re ready

Youâ€™re wasting moments of your life

In vain

Please take my hand and follow me

Again

E

C#

Walking near the ocean of your dreams

E

C#

Keep on hiding the reasons of your sin

D

H

Wake up! It s time to swim against the flow

D

H

Break down! You cannot stand it any more

G5 E5 D5 D#5

Contagion, cruel

BRIDGE:

E5 / C5 / D5 / D#5 x2

You run fast

You trip up

But s too late

Please hurry up

The turn closed

Interrupted fate

Your lighthouse blind

But you don t mind

No course

Surrender now

It s silly thing

Youâ€™re lost

Falling, screwing
