

Say The Same
Shaman's Harvest

Say the Same
By Shamans Harvest

There are few postings for this song that I love and they all seem wrong. The verses appear to be correct but the chorus kept bugging the hell out of me so Ive changed it up a bit to make it what I feel is more accurate.

Ebm7	F#sus2	Badd9	C#sus4
E 3	E 3	E 3	E 3
B 3	B 3	B 3	B 3
G 0	G 0	G 0	G 2
D 0	D 0	D 2	D 0
A 2	A 0	A 3	A x
E 0	E 2	E 0	E x

Ebm	F#	G#m
When I trample on my destiny		
G#m	F#	B
Im cutting out the best in me		
B	F#	G#m
With an unskilled hand and heavy heart		
G#m	F#	B
Im beating back where blades wont carve		

Ebm	F#	G#m
I aint wishing to see better days		
G#m	F#	B
Just someone to help collect the pain		
B	F#	G#m
I was blind but now I surely see		
G#m	F#	B
Was deaf and now Ive began to sing		

Ebm7	F#sus2	F#	Badd9
Oh I can promise you that I can make everything alright			
Ebm7	F#sus2	F#	Badd9
Then we would think on all these years weve kept up this fight			
Ebm7	F#sus2		
Oh I could scream until my lungs turn blue			
F#			
Try to change these walls protecting you			
Ebm7		Badd9	
By the ice that runs within your veins			
C#sus4	B		
Oh see Ive changed			
Ebm			

Can you say the same

Ebm **F#** **G#m**
Though the progress may sometimes seem slow
G#m **F#** **B**
All these bruises make me whole
B **F#** **G#m**
And I can not for the life of me
G#m **F#** **B**
Worry about the life in me

Ebm **F#** **G#m**
Wont you tell the kids I miss them so
G#m **F#** **B**
Im sorry I had to miss so much
B **F#** **G#m**
Wont apologize for who I am
G#m **F#** **B**
Youre hurting me because you can

Ebm7 **F#sus2** **F#** **Badd9**
Oh I can promise you that I can make everything alright
Ebm7 **F#sus2** **F#** **Badd9**
Then we would think on all these years weve kept up this fight
Ebm7 **F#sus2**
Oh I could scream until my lungs turn blue
F#
Try to change these walls protecting you
Ebm7 **Badd9**
By the ice that runs within your veins
C#sus4 **B**
Oh see Ive changed
Ebm
Can you say the same
F# **B**
Can you say the same
F# **G#m**
Oh can you say the same
F# **B**
Can you say the same
