

Say The Same
Shaman's Harvest

Say the Same
By Shamans Harvest

There are few postings for this song that I love and they all seem wrong. The verses appear to be correct but the chorus kept bugging the hell out of me so Ive changed it up a bit to make it what I feel is more accurate.

Try to change these walls protecting you

F#m7	Dadd9
-------------	--------------

By the ice that runs within your veins

Oh I can promise you that I can make everything alright

F#m7 **Asus2** **A** **Dadd9**
Then we would think on all these years weve kept up this fight

F#m7 **Asus2**
Oh I could scream until my lungs turn blue

A
Try to change these walls protecting you

F#m7 **Dadd9**
By the ice that runs within your veins

Esus4 **D**
Oh see Ive changed

F#m
Can you say the same

Can you say the same

A **Bm**
Oh can you say the same

A **D**
Can you say the same
