

Everytime

Shane Filan

hey guys! I really love Shane and of course this song. The Bridge might not be right so if you guys have any idea, feel free to correct me. And my email is lianwangtao@gmail.com I would love to make some friends with you guys.
So Enjoy~

Everytime-Shane Filan

Capo on 2

Intro: **A E #Fm D**

Verse 1

A

You make me laugh in awkward places

E

you keep me guessing all the time

#Fm

D

little things that make me glad youâ€™re mine

A

Itâ€™s always brighter when youâ€™re smiling

E

you bring the thunder when youâ€™re mad

#Fm

D

but youâ€™re the sweetest thing Iâ€™ve ever had

A

E

#Fm

And when you say you want me here and now

D

no matter where we are,

E

I love love love it

CHORUS

A

And Oh, my heart is racing

E

the way we kiss is liberating

#Fm

D

it feels like we invented love

A

yeah Iâ€™m breathing faster

E

and I might need to sit down after

#Fm D
it feels like we invented love, every time.

A E #Fm D
Ohhh Ohhh Ohhh Ohhh

Verse 2

A
When my head is spinning round and round
E
I donâ€™t know if Iâ€™m up or down
#Fm D
Itâ€™s okay, youâ€™ve got me figured out
A
and I donâ€™t even need to know,
E
â€™cos if you keep your heart on show
#Fm D
surprising me will never get too old
A E #Fm
And when you say you want me here and now
D
no matter where we are,
E
I love love love it
CHORUS

A
And Oh, my heart is racing
E
the way we kiss is liberating
#Fm D
it feels like we invented love
A
yeah Iâ€™m breathing faster
E
and I might need to sit down after
#Fm D E
it feels like we invented love, every time

Verse 3

#Cm D A
Youâ€™re always finding different ways
#Fm E
to keep me on my toes
#Cm D E
and if it changes everyday

I donâ€™t mind and I donâ€™t care
E (A)
How I still love love love you
A E #Fm D
Ohhh Ohhh Ohhh Ohhh

CHORUS

A

And Oh, my heart is racing

E

the way we kiss is liberating

#Fm

D

it feels like we invented love

A

yeah Iâ€™m breathing faster

E

and I might need to sit down after

#Fm

D

it feels like we invented love, every time

Ohhh Ohhh Ohhh Ohhh

Ohhh Ohhh Ohhh Ohhh
