

Hold You Up
Shane Harper

Capo 2

[Verse 1]

C **Am**
When it s coming apart, you had it all.
F **C**
It wasn t enough. No, it s not enough.
C **Am**
They tell you it s not worth the price, so just let it go.
F **C**
But you know you can t. You know you won t.

[Pre-Chorus]

F **Am**
It s not easy, no.
C **F**
Finding the words to say.
F **Am** **G**
When you re feeling lost, you ll find your way.

[Chorus]

F **C** **G**
The world is so broken and sometimes it leaves you cold.
F **C** **G**
At nighttimes you can t feel the fire to guide you home.
F **Am** **G**
The demons will haunt you and try to steal what you know.
F **C** **G**
But the angels, they brought you, and they re gonna hold you up.
C
They re gonna hold you up.

[Verse 2]

C **Am**
They see the fear in your eyes, heart sinks like a stone.
F **C**
Cause when you re afraid, it weighs on your soul.

[Pre-Chorus]

F **Am**
It s not easy, no.
C **F**
Finding the words to say.
F **Am** **G**
When you re feeling lost, you ll find your way.

[Chorus]

F **C** **G**
The world is so broken and sometimes it leaves you cold.
F **C** **G**
At nighttimes you can t feel the fire to guide you home.
F **Am** **G**
The demons will haunt you and try to steal what you know.
F **C** **G**
But the angels, they brought you, and they re gonna hold you up.
F C G
They re gonna hold you up.
F C G
They re gonna hold you up.
C
They re gonna hold you up.

[Pre-Chorus]

F **Am**
It s not easy, no.
C **F**
Finding the words to say.
F **Am** **G**
When you re feeling lost, you ll find your way.

[Chorus]

F **C** **G**
The world is so broken and sometimes it leaves you cold.
F **C** **G**
At nighttimes you can t feel the fire to guide you home.
F **Am** **G**
The demons will haunt you and try to steal what you know.
F **C** **G**
But the angels, they brought you, and they re gonna hold you up.
F C G
They re gonna hold you up.
F C G
They re gonna hold you up.
C
They re gonna hold you up.

[Verse 3]

C When the timing is right, somehow you ll know. **Am**

F When nobody stands, stand on your own. **C**
