

Like I Did  
Shane Harper

Intro: Am7 G C F

The way you re looking at me like I don t already know  
Am7 G C F

This is how it happens, this is just the way it goes  
Am7 G C F Am7

I can see him on every inch of your skin  
G C F

You can t pretend it s right

Am7 G C F  
Tell me is he everything you wanted?

Am7 G C F  
Tell me does he love you like I did?

I hope when you think about it you know  
C G  
C G

What you got with him won t even come close

Am7 G C  
Tell me does he love you like I did

Does he love you like I did, did, did, did, did  
G Am7 C F

Does he love you like I did, did, did, did, did  
G Am7 C F

Does he love you like I did, did, did, did, did  
G Am7 C F

Does he love you like I did, did, did, did, did  
G Am7 C F

Am7 G C  
Time and time again I fall for you

F Am7 G C F  
Baby these are nothing more than memories to you

Am7 G C F  
Do you ever wonder why something s missing

Am7 G C F  
When you pretend it s right

Am7 G C F  
Tell me is he everything you wanted?

Am7 G C F  
Tell me does he love you like I did?

I hope when you think about it you know  
C G  
C G

What you got with him won t even come close

**Am7**                    **G**                    **C**  
 Tell me does he love you like I did  
    **G**                    **Am7**                    **C**    **F**  
 Does he love you like I did, did, did, did, did  
    **G**                    **Am7**                    **C**    **F**  
 Does he love you like I did, did, did, did, did  
    **G**                    **Am7**                    **C**    **F**  
 Does he love you like I did, did, did, did, did  
    **G**                    **Am7**                    **C**    **F**  
 Does he love you like I did, did, did, did, did

**Am7**                    **F**                    **C**                    **G**  
 He can t, he can t, give you that all the magic that we had  
**Am7**                    **F**                    **C**                    **G**  
 He can t, he can t, give you that magic, magic that we had  
**Am7**                    **F**                    **C**                    **G**  
 He can t, he can t, give you that all the magic that we had  
**Am7**                    **F**                    **C**  
 He can t, he can t give you that magic magic magic

**Am7**                    **G**                    **C**                    **F**  
 Tell me is he everything you wanted?  
**Am7**                    **G**                    **C**                    **F**  
 Tell me does he love you like I did?  
    **C**                    **G**  
 I hope when you think about it you know  
    **C**                    **G**  
 What you got with him won t even come close  
**Am7**                    **G**                    **C**  
 Tell me does he love you like I did  
    **G**                    **Am7**                    **C**    **F**  
 Does he love you like I did, did, did, did, did  
    **G**                    **Am7**                    **C**    **F**  
 Does he love you like I did, did, did, did, did  
 (Does he love you like I di\_d)  
    **G**                    **Am7**                    **C**    **F**  
 Does he love you like I did, did, did, did, did  
    **G**                    **Am7**                    **C**    **F**  
 Does he love you like I did, did, did, did, did  
 (Does he love you?)  
    **G**  
 Does he love you like I did?
