One Step Closer
Shane Harper

Intro: **G** - **Bm** - **Em** - **C**
Verse 1:
G
I can t keep chasing you around
Bm   **Em**
All of this running just bringing me down
                  C
It s got me down
G
Every time I look at you
        Bm
The angels sing

                       Em
I hope you hear them too
    C   **A**
I hope you hear them too
                           C
Got me feeling hypnotized
A   **C**-**D**-**G**
  Girl, it makes me feel ali-iive

Chorus1:
                          Bm
I d climb the highest mountain
                             Em
And I d sail across the sea
          C   **G**
Baby, for you I d do anything
                     Bm
I d fly out to the moon
                                   Em
I d paint your gray skies a beautiful blue (lyrics?)
              C
Just to get one step closer to you

Verse 2: (chords follow same pattern as Verse 1)
Don t hesitate, there s no better time than now, baby
The sky is falling down
Well, baby, are you down, down, down, down?
I could wait forever and a day just
To have you look my way (echo: Just look my way)
Look my way
It s in every little thing I do
Cause baby I do it all for you
(repeat Chorus 1)

Chorus 2: (same chords as Chorus 1)

```
I would write you a million love songs
Just to hear you say
Baby, for you I d do anything
I d fight Superman
Just to hold your hand
Have to get one step closer to you

Bridge:
(B s and D s) (listen for chord changes in the song)
And now you re in my arms
I knew it from the start
Girl, I d never break your heart
If this ain t love then nothing else is
                                G
I ll do anything for just one kiss

Chorus 3: (same as previous chorus)
I d climb the highest mountain
I d sail across the sea
For you, I d do anything
I d plan a picnic on the moon
Just for me and you
Just for me and you
(repeat Chorus 2)

Just to get one step closer to you
```
