

Teach Me To Dance
Shane Morkin

Am C E7 Am
The water is rising, the tide is getting high
Dm E Am
All the memories passing by
Am C E7 Am
The rain keeps falling, keeps on pouring down
Dm E Am | Am | Dm | E | Am
Everywhere I look around

Yes the tide was high, made the river roll
It was out of control
It was passing through, heading me and you
Just passing through

C G F
Take my hand and teach me to dance
G Am
How to dance in the rain
C G F
All I know, there will be other times
G Am
Where you just need a friend
Em Am
And the thunder is rolling
Em Am
Will the storm ever pass
Em Am
Well I won't be waiting
Dm E Am | Am | Dm | E | Am
Come teach me - to dance

I've never seen - the river run so high
No moment in my life
Everywhere I look all over this town
There's water on the ground

Take my handâ€¦

There will be a day when the sun shine again
Where we go back again
The tears are gone, no clouds on the sky
The ground it is dry

Take my handâ€¦
