

Bad Days Better
Shane & Shane

E **Bm**
You have made my day
B7 **E**
Even in stormy weather
E **Bm**
And I m dancing in all the rain
B7
Cause you make bad days

G
Great is the way
Bm
When you come to mind I am smiling
C **D**
Ear to ear, sweet thoughts of you

G
I m always in the mood
Bm
To twirl around with you while it s raining
C **D**
Even if it s a dream

E **Bm**
You have made my day
B7 **E**
Even in stormy weather
E **Bm**
And I m dancing in all the rain
B7
Cause you make bad days

G
Great is the way
Bm
That I am unafraid when I see you
C **D**
All my fear goes away

A **E**
The bad days are coming
Rainy days are always around
A
Oh, but if I can see you
C#m **B** **A**

One glance upon you, the sun comes out

E **Bm**
I m dancing in all the rain

B7 **E**
Cause you make bad days better
