

Home Aint Where His Heart Is Anymore
Shania Twain

D **E** **A**
He knew how to reach me deep inside
D **E** **A**
And he found a part of me I could not hide
D **E** **F#m**
And we d walk and talk and touch tenderly
D **E** **A**
Then he d lay me down and make love to me
D **E** **A**
We built a love so strong it couldn t break
D **E** **A**
There was not a road we were afraid to take
D **E** **F#m**
And we d kiss all the way from Arkansas to Rome
D **E** **A**
Cause in each other s arms we were home sweet home
D **A**
But he don t feel the same since our lives became
F#m **D** **E**
Years of bills, babies, and chains.

Chorus:

A **E** **F#m**
Home ain t where his heart is anymore
A **E** **F#m**
He may hang his hat behind our bedroom door
A **E** **F#m**
But he don t lay his head down to love me like before
A **E** **A**
Home ain t where his heart is anymore.

D **E** **A**
If foundations made of stone can turn to dust
D **E** **A**
Then the hardest hearts of steel can turn to rust
D **E** **F#m**
If he could only find that feeling once again
D **E** **A**
If we could only change the way the story ends
D **A**
And he may still come home, but I live here alone
F#m **D** **E**
The love that built these walls is gone.

Chorus:

Home ain t where his heart is anymore

He may hang his hat behind our bedroom door
