Dont Close Your Eyes
Shannon and The Clams
 Shannon and The Clams - Don t Close Your Eyes
[Intro]
F#
 I woke up and heard the world crying
Crying over you
     G#
Over you
    Α
Over you
     G#
Over you
[Verse 1]
Don t close your eyes if you just see the night
And don t close your eyes if it just makes you cry
                                                      F#m
And don t close your eyes if you can t bear this new world
Now open those eyes and stare into the sun
[Chorus]
    F#m
We ll remember you
      F#m
We 11 remember you
And all that you ve done for us
Your love is controlling us
[Verse 2]
                                           F#m
Don t close your eyes if you just put that light out
And don t close your eyes if you just see that night
Do what you must to grasp every feeling
Now open those eyes and take in that light
[Chorus]
     F#m
```

```
F#m
Α
We ll remember you
And all that you ve done for us
[Bridge]
Your love is controlling us
The girl that you painted is stained in an unforgettable shape
       F#m
We ll remember you
       F#m
We ll remember you
       F#m
We ll remember you
       F#m
We ll remember you
\mathbf{Bm}
[Outro]
F#
I woke up and heard the world crying
Crying over you
    G#
Over you
    Α
Over you
    G#
Over you
