Shannon and The Clams

Shannon and The Clams - Strange Wind

[Intro]

**Bm A G F#**  
**Bm**

[Verse 1]

**Bm F#m**  
There was a night with a strange wind  
**Em Bm**  
Blew through the town, made the pipes sing  
**Bm F#m**  
We learned that song and played it each night  
**Bm Em**  
As loud as we could under strange light  
**D C#m Bm**  
And everyone learned every strange word, and that was our song

[Chorus]

**Bm A G F#**  
Another time hidden inside where no one can find us  
**Bm A G F# Bm**  
Safe underground making our sound, let it remind us of home

[Interlude]

**Bm**

[Verse 2]

**Bm F#m**  
There was a night with a fire  
**Em Bm**  
Silenced the wind and the pipes burned  
**Bm F#m**  
And the whole world saw us cry  
**Bm Em**  
Just as we are under strange light  
**D C#m Bm**  
And everything learned how our words burned, and they knew our song

[Chorus]

**Bm A G F#**  
Another time hidden inside where no one can find us  
**Bm A G F# Bm**  
Safe underground making our sound, let it remind us of home
