D
Do you ever get lonely, baby
A
Dont you ever get tired of living that way
Bm G
Dont you ever wonder whether there a better life out there
D
Do you ever think about what we had
A
And how you d give anything to get it back
Bm A G D
Do you ever think you ll never love that way again

E
Wondering if only
G
Do you ever get lonely

D G E A

D
I look around the room and wonder
G A D A
When it was and how my life has changed
D G
Im surrounded by a million so - called friends
A D A G
And I dont even know their names, oh no

A **G**
When all that you love is gone
Bm **G**
And you feel like you dont belong

Oh tell me

D
Do you ever get lonely, baby
A
Dont you ever get tired of living that way
Bm **G**
Dont you ever wonder whether theres a better life out there, yeah
D
Do you ever think about what we had
A
and how youd give everything to get it back
Bm **A** **G** **D**
Do you ever think youll never love that way again

E
Wondering if only
G
Do you ever get lonely

D
I know that this world has changed us
A
Now were nothing more than strangers
Bm
But do you think about me ever
G
Do you think we belong together
