

## Shine

Shannon Noll

Shine (by Shannon Noll)

Verse 1:

**G**

Get up, get out, get out, get out and lift your head

**C/G**

Come on, come on, get up out of bed

**D/G**                      **C2**                                      **Gaug/C**

Today s the day you hold the world with your song

**G**

Go now, go now, go now, help escalate

**C/G**

Angels come down, help with this parade

**Bm7**                      **C2**

To hear your voice ring out

**Dsus4**                                      **D**

Come on and shout it, Let your song be heard

**G**      **D/F#**      **Em7**                      **D**                      **C**

This is the time This is the day

**G/B**

That we ve been waiting for

**Am7**                                      **Dsus4**                                      **G**      **C/G**      **D/G**      **C/G**

All the world will stop to watch you shine

Verse 2:

**G**

Hey now, hey now, hey now, hey now sing your hymn

**C/G**

This is the new national anthem

**D/G**                      **C2**                                      **Gaug/C**

We will all stand on guard to let you be heard

**G**

Let go, let go, let go all that can ask

**C/G**

How beautiful this world has become

**Bm7**                      **C2**                                      **Dsus4**

Now everyone will see what I believe

**D**

That these words should be sung

**A7/C#**      **C2**                      **G**      (**D/G** - **G**)

And if you fall

**A7/C#**      **C2**                      **G**      (**D/G** - **G**)

And if you fall

**A7/C#**      **C2**

And if you trust and then

C2                    G - D/F# - Em - D - C -G/B - Am7 - D  
Yes it will come true
