Intro: **D G D Asus4 A** (x2)

Verse:

D **G**
Never thought I d hold another
Bm7 **A Asus4 A**
Like I m holding you right now
D **G**
But through you I ve rediscovered
Bm7 **A Asus4 A**
How to love again somehow

Pre-chorus:

D **G Asus4 A**
You brought me back from the place
D **G Asus4 A**
That I thought no time could erase, till now

Chorus:

D **Bm7**
Don t know if this will last
G **A**
Or if our time will come to pass
D **Bm7** **G** **A**
I m not concerned with things like where or when
D **Bm7** **G** **A**
Don t know if it be wise to call that love there in your eyes
D **Bm7** **G** **A**
I just know it s good to feel this way again
D G D Asus4 A (x2)

Verse:

Haven t used this heart for so long
It forgot how to feel
Now that emptiness is all gone
You fill me up with something real

Pre-chorus:

You brought me back from the place
That I thought no time could erase, till now

Chorus:

Don t know if this will last
Or if our time will come to pass
I m not concerned with things like where or when
Don t know if it be wise to call that love there in your eyes
I just know it s good to feel this way again

Pre-chorus:

I took one look at your face
It brought me back from the place
i thought no time could erase, till now

Chorus:

Don t know if this will last
Or if our time will come to pass
I m not concerned with things like where or when
Don t know if it be wise to call that love there in your eyes
I just know it s good to feel this way again
