I still remember your promises, you always said
You would be better off a part of this so why do I feel
Like I'm winning a loser's games, it's such a shame
But should I erase every thought of you

Cause all I can do is miss you
See your face on a photograph but I can't kiss you
And a text or a call just won't do
Won't you heal my heart of blue

Cause all I can do is miss you
See your face on a photograph but I can't kiss you
And a text or a call just won't do
Won't you heal my heart of blue
