(this is my first ever chords upload. Im not 100 percent certain about these chords. please feel free to correct, etc.)

**A** **E**  
Were gonna be alright, baby, we are still young.  
**D** **A** **E**  
Baby, we are still young, and thats more than some people can say.  
**A** **E**  
Were gonna be okay; at least we have white skin,  
**D** **A** **E**  
and when you have white skin nobody can send you away.  
**D** **F#m** **A**  
And people are inclined to help, to help  
**D** **E** **A** **D** **A** **D** **A** **E**  
other people who look like themselves.

**A** **E**  
Were gonna be alright; baby, we have rich friends,  
**D** **A** **E**  
and when you have rich friends, those kinds of connections can pay.  
**A** **E**  
Weâ€™re gonna be okay; baby, we will rise up.  
**D** **A** **E**  
Believe we will climb up to inhabit our corner of sky.  
**D** **F#m** **A** **E**  
And we will be inclined to help, to help  
**D** **E** **A** **D7** **A** **E**  
other people who look like ourselves.

**A** **E**  
Ooooh oooh oooh Ooooh ooooh ooooh  
**D** **A**  
Oooooh oooh oooh Ooooooooooh

**E** **D** **A**  
You say we dont need a safety net; we need a fire hose,

**E D A**  
and you say that were burnin, burnin, you tell me weâ€™re ready to blow.

**E D A**  
But aint there somethin to be said for likeability?

**E**  
Something goods going to happen.

**D E**  
Someone will take us in under their wing and then

**A E**  
were gonna be alright; we are still good-looking.

**D A E**  
Well, somewhat good-looking, and everything counts in its way.

**D F#m**  
We are rising stars, and we wont need bootstraps.

**A D E F#m**  
Well hang on to kind hands of people with faces like ours.

**A D E D A D A**  
Well hang on to kind hands of people with faces like ours.
