

**All I Can**

**Sharon Van Etten**

Really diggin this song lately.

You can throw an E7 or A7 in at a few places for fun, but it sounds fine without it. She changes up how long she holds some notes through the song, so probably good to listen and play along a few times. I couldn't get the lyrics and notes to line up properly here, but you get the idea.

Intro

**D G E A**

**D G**  
The sun is at stake

**E A**  
And I'm at your window

**D G E A**  
Beyond all sleep and I can't speak

**D G**  
In all Tokyo, translate memories

**E**  
That I cannot free,

**A**  
But what will it take?

**D**  
We all make mistakes.

**G**  
We all try to free

**E**  
The sighs of the past

**A A7**  
We don't want to last.

**D G E**  
Need love erase to let out my mind?

**A D G**  
Wanting to love as new as I can,

**E A D G**  
Wanting to show I want my scars to help and heal.

**E**  
How much you wanted

**A D**  
So much you found

**G**  
Try not to beg too much to be

**E A A7**  
Calling my heart and know you are real

**D**                  **G**                  **E**  
But my memory steals every moment I can feel

**A**  
What will it take?

**D**                  **G**  
We all make mistakes.

**E**                  **A**  
Even though I try to stand

**D**                  **G**  
Even though it s slowly

**E**  
I do all I can

**A**  
But who is my man?

**D**  
The memory or you?

**G**  
The love or the due?

**E**                  **A**  
To carry a face (I cannot retrace)?

I do all I can.

**D**  
We all make mistakes

**G**          **E**          **A**  
(humming)

**D**
