Maybe something will change

A

Maybe something will change

[Verse]

Bm

Remember when you saw me on the street

C#m

And then you looked in my eyes?

E

D

You helped me with the tire change

Bm

C#m

It had been a while and I thought that you'd forgot about me

E

D

I never could have forgotten you

[Chorus]

Bm

E

I will reach you (I will reach you)

Bm

E

I will reach you (I will reach you)

Bm

E

D

I will meet you, on your street

A

I won't let you down

[Bridge]

A

Maybe something will change

A

Maybe something will change

[Verse]

Bm

C#m

A couple years later when I say you making western moves

E

D

And
