```
Nothing Will Change
Sharon Van Etten
 [Intro]
Maybe something will change
Maybe something will change
[Verse]
Bm
 Remember when you saw me on the street
           C#m
And then you looked in my eyes?
 You helped me with the tire change
                                                C#m
Bm
 It had been a while and I thought that you d forgot about me
Е
I never could have forgotten you
[Chorus]
Bm
I will reach you (I will reach you)
I will reach you (I will reach you)
I will meet you, on your street
I won t let you down
[Bridge]
Maybe something will change
Maybe something will change
[Verse]
Bm
                                           C#m
 A couple years later when I say you making western moves
