I Don t Know Why  
by Shawn Colvin  
as transcribed by R.Kilby (arkay@connectnet.com)

Capo 2nd Fret (key of E)

**D**                                **G**        **A** **D**    **D/F#** **G** **D**  
I don t know why the sky is so blue.

**A7**        **C+9**        **G**                **Em**    **A7**        **G**  
And I don t know why I m so in love with you.

**D/F#**                **Bm7**        **A**                **Em7**                **A7**  
But if there were no music, then I would not get through.

**D**        **G**                **A**                                **G**        **D**  
And I don t know why I know these things, but I do.

I don t know why, but somewhere dreams come true.  
And I don t know where, but there ll be a place for you.  
And every time you look that way, I would lay down my life for you.  
I don t know why, I know these things, but I do.

I don t know why, but some will make you cry.  
And I don t know how, but I will get you by, I will try.  
They re not trying to cause you pain, they re just afraid of loving you.  
I don t know why, I know these things, but I do.

I don t know why, the trees grow so tall.  
And I don t know why I don t know anything at all.  
But of there were no music, then I would not get through.  
I don t know why I know these things, but I do.  
I don t know why I know these things, but I do.
