 And I don t know why I m so in love with you.

But if there were no music, then I would not get through.

And I don't know why I know these things, but I do.

I don't know why, but somewhere dreams come true.
And I don't know where, but there'll be a place for you.
And every time you look that way, I would lay down my life for you.
I don't know why, I know these things, but I do.

I don t know why, but some will make you cry.
And I don t know how, but I will get you by, I will try.
They re not trying to cause you pain, they re just afraid of loving you.
I don t know why, I know these things, but I do.

I don t know why, the trees grow so tall.
And I don t know why I don t know anything at all.
But of there were no music, then I would not get through.
I don t know why I know these things, but I do.
I don t know why I know these things, but I do.
