And I don t know why I know these things, but I do.

I don t know why, but somewhere dreams come true. And I don t know where, but there ll be a place for you. And every time you look that way, I would lay down my life for you. I don t know why, I know these things, but I do.

I don t know why, but some will make you cry.

And I don t know how, but I will get you by, I will try.

They re not trying to cause you pain, they re just afraid of loving you.

I don t know why, I know these things, but I do.

I don t know why, the trees grow so tall.

And I don t know why I don t know anything at all.

But of there were no music, then I would not get through.

I don t know why I know these things, but I do.

I don t know why I know these things, but I do.
