One Cool Remove - Shawn Colvin version (written by Greg Brown, I think)  
from CD Cover Girl

It s taken from her trio performance on Austin City Limits, but that is  
very close to the CD version anyway.

CAPO at 2nd fret

Intro: **C# G#/B G# C# G#/B Eb/A**

**G# Eb/F#**  
One cool remove, one cool remove  
**C#/E Bbm7 Eb/A C# G# G#sus4 G# Ebsus4**  
Forever let me stay one cool remove away  
**G# Eb/F#**  
One cool remove, one cool remove  
**C#/E Bbm7 Eb/A**  
See it all in a passion play  
**C# G#**  
One cool remove away  
**G#sus4 G#**

**C# C#sus4 C#**  
One cool remove from the white sun  
**G# G#sus4 G#**  
Rising like a cloud above the land  
**C# C#sus4 C#**  
One cool remove from the red moon  
**Eb C#9 Eb/A**

Falling like a hand

**G#** **Eb/F#**  
One cool remove, one cool remove  
**C#/E** **Bbm7** **Eb/A**  
And neither come nor go nor stay  
**C#** **G#** **G#sus4** **G#** **G#sus4**  
One cool remove away

Guitar Solo chords:

**G#** **Eb/F#** **C#** **G#** **Eb**  
**C#** **G#** **G#** **Eb** **G#** **G#7**

**C#** **C#sus4** **C#**  
One cool remove from the white sun  
**G#** **G#sus4** **G#**  
Rising like a cloud above the land  
**C#** **C#sus4** **C#**  
One cool remove from the red moon  
**Eb** **C#9** **Eb/A**  
Falling like a hand

One cool remove, one cool remove  
And neither come nor go nor stay  
One cool remove away

**C#** **G#**  
One cool remove away

Outro is a variation on the verse chords, I think.

I may have some words wrong.

**Eb/F#**=2x0232  
**C#/E**= 032010  
Am7= x0201x this is played more as a hammer-on when I saw her on  
Austin City Limits--may be wrong about including it.  
**C#9**=x32030  
**Eb/A**=x00232  
Gsus4= the Gsus4 s used seem to vary between 3x2013 and 320013,  
hammer-on and off etc.
