Outro is a variation on the verse chords, I think.

I may have some words wrong.

E/F#=2x0232
D/E= 032010
Am7= x0201x this is played more as a hammer-on when I saw her on
Austin City Limits--may be wrong about including it.
D9=x32030
E/A=x00232
Gsus4= the **Gsus4** s used seem to vary between 3x2013 and 320013,
hammer-on and off etc.
