1. Baby let me set you down

Ebm

C#

You look so

troubled and I think I know

Ebm

C#

Just when you think you ve got it down

Ebm

There you go.

2. Now I know the business of the heart

And it ll get you anyway it can

You need someone to walk with in the dark,

Well, I m your man.

(chorus)

C#

I go to the trouble like a magnet

C#7

That s where I ll be

B

C#

G#m

Trouble is just a place to sing

B

Ebm

It s just what you need

3. I swear you look like you re in jail

And all at once you re half way

out the door

One foot dancing, one foot nailed

To the floor.

4. Chasing those circles in the ground

Same old shit is still the same old lie

Just when you think you ve got it down
Watch it fly.

I go to the trouble like a light
Or like a dare
Trouble is just a friend to me,
It ll always be there

I know

5. It s really hard to make your peace
So give me some credit for the hell
I ve paid
This world s a blessing and a beast
Every day

6. So baby let me show you how
The less you know the more
I ll comprehend
You don t have to drag me down
I descend

I go to the trouble and I like it
That s where I ll be
Trouble is just like love,
if it s half the way
It s all I can see
And it s just what you need.
