**F#m** **E**  
1. Baby let me set you down  
**F#m** **E** **A** You look so  
troubled and I think I know  
**F#m** **E**  
Just when you think you ve got it down  
**F#m**  
There you go.

2. Now I know the business of the heart  
And it ll get you anyway it can  
You need someone to walk with in the dark,  
Well, I m your man.

(chorus)

**E**  
I go to the trouble like a magnet  
**E7**  
That s where I ll be  
**D** **E** **Bm**  
Trouble is just a place to sing  
**D** **F#m**  
It s just what you need

3. I swear you look like you re in jail  
And all at once you re half way  
out the door  
One foot dancing, one foot nailed  
To the floor.

4. Chasing those circles in the ground  
Same old shit is still the same old lie

Just when you think you ve got it down  
Watch it fly.

I go to the trouble like a light  
Or like a dare  
Trouble is just a friend to me,  
It ll always be there

I know

5. It s really hard to make your peace  
So give me some credit for the hell  
I ve paid  
This world s a blessing and a beast  
Every day

6. So baby let me show you how  
The less you know the more  
I ll comprehend  
You don t have to drag me down  
I descend

I go to the trouble and I like it  
That s where I ll be  
Trouble is just like love,  
if it s half the way  
It s all I can see  
And it s just what you need.
