[intro]

I ve seen love go by my door, it s never been this close before

G G D/A D/A

It s never been so easy or so slow

I ve been shooting in the dark too long, when something s not right, it s wrong

G D/F# G G

You re gonna make me lonesome when you go

Purple clover, Queen Anne s Lace, crimson hair across your face

You could make me cry if you don t know

I don t remember what I was thinking of, you might be spoiling me with too much
love, honey

You re gonna make me lonesome when you go

Em/G Em/F# C/E - C/D C G G D/A D/A

[instrumental]

Em/G Em/F C/E - C/D C G D/F# G G

[instrumental]

There are dragon clouds so high above, I have only known careless love

It always hit me from below

But this time round it s more correct, it s right on target and so direct

You re gonna make me lonesome when you go

D/F# D/F# G G

Flowers on the hillside blowing crazy

D/F# D/F# G G

Crickets talking back and forth in rhyme

A7 A7sus4(6) A7 A7

Blue river running slow and lazy

Am7 Am7 D/F# D/F# D/F# D/F# D/F# D/F#

I could stay with you forever, and never realize the time

But situations have ended sad, relationships have all been bad
 Mine have been like Verlaine s and Rimbaud s
 But there s no way I can compare all them scenes with this affair, honey
 You re gonna make me lonesome when you go

Oh, you re gonna make me wonder what I m doing
 Staying far behind without you
 You re gonna make me wonder what I m saying
 You re gonna make me give myself a good talking to

I will I look for you in Honolulu, San Francisco, Ashtabula
 You re gonna have to leave me now, I know
 But I ll see you in the skies above, in the tall grass and the ones I love
 You re gonna make me lonesome when you go
 You re gonna make me lonesome when you go
 You re gonna make me lonesome
