

**Along Our Way**  
**Shawn James**

[Intro]

**Am7 D7**

**Am7 D7**

[Verse 1]

**Am7** **Am7** **D7**

We strolled on through the woods to find our way

**Am7** **D7**

Directionless not knowing where to stay

**Am7** **D7**

Hoping to find a reason so divine

**Am7** **D7**

But it never came

[Chorus]

**E7** **E7** **E7** **Am7**

So we walked and walked and walked along our way

**E7** **E7** **E7** **Am7**

And we walked and walked and walked along our way

[Verse 2]

**Am7** **D7**

I dreamt one night of stars, of mercury and mars

**Am7** **D7**

And how they all hang in space

**Am7**

And In this dream I soared

**D7**

I flew beyond the doors

**Am7** **D7**

Once locked but now open forevermore

[Chorus]

**E7** **Am7**

I flew and flew and flew along my way

**E7** **Am7**

And I flew and flew and flew along my way

[Verse 3]

**Am7** **D7**

So let me say once more of how the choice is yours

**Am7** **D7**

And all that you desire can be attained

**Am7**

I hope that you don't find

**D7**

Your desires were a foolish kind

**Am7**

**D7**

Such a waste of the precious time we have

[Chorus]

**Am7**

**E7**

**Am7**

And you'll walk and walk and walk along your way

**Am7**

**E7**

**Am7**

And you'll walk and walk and walk along your way
