**C** **G**  
Games, changes and fears  
**Dm**

**F**  
When will they stop  
**C** **G**  
I believe that fate has brought us here  
**Dm**  
And we should be together babe  
**F** **G**  
But we re not

**F** **Em**  
I play it off bit I m dreaming of you  
**F** **G**  
I ll keep my cool but I m fiendin

**C**  
I try to say goodbye and I choke

**G**  
Try to walk away but I stumble  
**Dm**  
Though I try to hide it, it s clear  
**F** **G**  
My world crumbles when you are not near  
**C**  
Goodbye and I choke  
**G**  
Try to walk away and I stumble  
**Dm**  
Though I try to hide it, it s clear

My world crumbles when you are not near

**C** **G**  
I may appear to be free  
**Dm** **F**  
But I m just a prisoner of your love  
**C** **G**  
I may seem alright and smile when you leave  
**Dm** **F**  
But my smiles are just a front, just a front

**F** **Em**  
I play it off bit I m dreaming of you

**F** **G**  
I ll keep my cool but I m fiendin
