

No Rest

Shawn James

[Verse 1]

I ve been waitin on the wind to change direction
It s been such a very long time
Since I ve been able to make a decision
That won t waste my time
So I went out searching for freedom
Oh, and I went out searchin for truth
But what I found was not what I expected
Cause all those things, they lie inside of you

[Chorus]

But, oh, don t you fall
Into that pit of loneliness
Cause I ve been there before
And I did not get no rest

[Verse 2]

Well, I see you ve been waitin on something to
Come and brighten your day
Well, I m here now to tell you that you ve got
To let go of that way
Once it s gone you ll feel so free
You ll never ever look back again
Just like a bird flyin through the trees
With no path to guide, where the hell you put your feet?

[Chorus]

F **Am**

Now, don't you fall into that

F **Am**

Pit of loneliness

F **Am**

Cause I've been there before

[Outro]

F **E** **Am**

And I did not get no rest

F **E** **Am**

And I did not get no rest

F **E** **Am**

And I did not get no rest
