Shawn James

[Intro] **G B7 C A**
G B7 Em A D

G B7
That s life, that s what all the people say
Em A
You re ridin high in April, shot down in May
G B7 Em
But I know I m gonna change that tune
A D
When I m back on top, back on top in June

G B7
That s life, and as funny as it may seem
Em A
Some people get their kicks stompin on a dream
G B7 Em
But I don t let it get me down
A D
Cause this fine old world, it keeps me spinnin around

[Refrão]

G G7
I ve been a puppet, a pauper, a pirate, a poet, a pawn and a king
C Cm
I ve been up and down and over and out and I know one thing
A
Each time I find myself flat on my face
D
I just pick myself up and get back in the race

G B7
That s life, oh, and I can t deny it
Em A
Many times I thought of quitting, baby, but my heart won t buy it
G B7 Em
And if I didn t think it was worth one single try
A D
Well, I d on a big bird and then I d fly

[Refrão]
