	C	Em	Am
The dark is always coldest before dawn as the day is slowly drawn			
C	Em	Am	F
Sunlight and daybreak expose all the wrongs			
C	Em	Am	
From the night before, we wanted so much more			
C	Em	Am	
Now all we crave is rest and retreat			

	Dm	G	Am
Give me rust over gold like a strength when I m old			
Dm	G	Am	
A balance between the light and dark and a cause to uphold			
Dm	G	Am	
Give me love over hate, a meaningful fate			
Dm	G	C	
And an honest and humble ability to appreciate			

	C	Em	Am
Loss is always hardest at the start as it breaks the heart			
C	Em	Am	
And severs the ties of what once was			
C	Em	Am	F
As we move on and realize what s now gone			
C	Em	Am	
Learn to celebrate the times we once had
