## Closer

## Shawn McDonald

Where ever you go

Shawn McDonald - Closer Tuning: half-step down (verse) C#m Looking for a color in a shade of gray В Looking for a love in a drop of rain C#m Trying to find change from the old mundane В Everything I do just feels the same C#m В Spending my life out in the desert C#m В been gone so long feels like forever (Chorus) B C#m E I just want to be closer to you E B C#m I just want to be closer I am yours You can have all of me anything, everything A E В C#m I just want to be closer (verse 2) C#m В A day without you is a thousand years В A day without you is a million tears Tell me why do I run when I am in fear В Why do I run when you are so near Spending my life out in the weather Been gone so long and I need some shelter Chorus (bridge) Α

Е

Where ever you are

Α

I just want to be there with You  $\,$ 

Chorus 2x

C#m B

Looking for a color in the shade of gray

C#m B A

Looking for a love in the drop of rain
