

Aftertaste

Shawn Mendes

Am F C
Re-rewind Friday night, never forget it, how you let me go
Am F C
No more lies I ll be fine, know where I m headed, probably should ve known

Am F C
And now you re gonna say pretty, please forgive me
Am F G
Fool me once, told you twice gonna regret it, now you re all alone yeah

Am G F C
Turns out that no one can replace me
Am G F C
I m permanent, you can t erase me
Am G F C
I ll help you remember me, one more kiss is all it takes
Am G F C
I ll leave you with the memory, and the aftertaste

Am F C
Close your eyes, you can t hide, try to forget me, but I m everywhere
Am F C
I m the smell on your sheets you weren t ready, when you left me there

Am F C
And now you re gonna say pretty, please forgive me, yeah
Am F G
Bet it hurts, it gets worse, you know nobody, said it would be fair oh

Am G F C
Turns out that no one can replace me
Am G F C
I m permanent, you can t erase me
Am G F C
I ll help you remember me, one more kiss is all it takes
Am G F C
I ll leave you with the memory, and the aftertaste

Dm Am G Dm Am G
Now there s something in your way, cause you threw it all to waste
Dm Am G
And you wonder if you could take back what you did that day, and it hurts cause

Am G F C
Turns out that no one can replace me
Am G F C
I m permanent, you can t erase me

Am G F C

I ll help you remember me, one more kiss is all it takes

Am G F C

I ll leave you with the memory, and the aftertaste

F C

Truth is that no one can replace me

Am G F C

I m permanent, you can t erase me

Am G F C

I ll help you remember me, one more kiss is all it takes

Am G F C Am G

I ll leave you with the memory, and the aftertaste

F C

And the aftertaste
