Re-rewind Friday night, never forget it, how you let me go  
**Am F C**  
No more lies I ll be fine, know where I m headed, probably should ve known

**Am F C**  
And now you re gonna say pretty, please forgive me  
**Am F G**  
Fool me once, told you twice gonna regret it, now you re all alone yeah

**Am G F C**  
Turns out that no one can replace me  
**Am G F C**  
I m permanent, you can t erase me  
**Am G F C**  
I ll help you remember me, one more kiss is all it takes  
**Am G F C**  
I ll leave you with the memory, and the aftertaste

**Am F C**  
Close your eyes, you can t hide, try to forget me, but I m everywhere  
**Am F C**  
I m the smell on your sheets you weren t ready, when you left me there

**Am F C**  
And now you re gonna say pretty, please forgive me, yeah  
**Am F G**  
Bet it hurts, it gets worse, you know nobody, said it would be fair oh

**Am G F C**  
Turns out that no one can replace me  
**Am G F C**  
I m permanent, you can t erase me  
**Am G F C**  
I ll help you remember me, one more kiss is all it takes  
**Am G F C**  
I ll leave you with the memory, and the aftertaste

**Dm Am G Dm Am G**  
Now there s something in your way, cause you threw it all to waste  
**Dm Am G**  
And you wonder if you could take back what you did that day, and it hurts cause

**Am G F C**  
Turns out that no one can replace me  
**Am G F C**  
I m permanent, you can t erase me

**Am G F C**

I ll help you remember me, one more kiss is all it takes

**Am G F C**

I ll leave you with the memory, and the aftertaste

**F C**

Truth is that no one can replace me

**Am G F C**

I m permanent, you can t erase me

**Am G F C**

I ll help you remember me, one more kiss is all it takes

**Am G F C Am G**

I ll leave you with the memory, and the aftertaste

**F C**

And the aftertaste
