Never thought that we would end up here  
We should've known it from the start  
I know you mean it when you say you love me  
But we trying way too hard

Used to think that we would last forever  
How could I've been so wrong  
Never thought that I'd be the one to say this  
But if our time has come and gone

Chorus:

C		D		
You, you don't mean no harm				
	F	Fm		C
But you're stringing me along and I don't have the time to spare				
C		D		
And I, I'm trying hard to breath

But you're suffocating me				
	Fm		C	
This time I'm coming up for air

Always tryna put your two cents in  
Then expecting me to change  
Tryna fix me up but I m not broken  
All you do is leave me stained

Told you not to tell me that too quickly  
Take it slow it s not a race  
And you keep on tryna reel me in, but  
All I really need is space

Chorus:
